ACTIVIDADES

Estimados alumnos, como ya se ha informado a sus padres en Reunión de Apoderados y a ustedes también mediante la plataforma Zoom; la asignatura de Inglés realizará apoyo pedagógico en el día acordado, como lo hemos hecho siempre, pero esta vez concentraremos nuestros esfuerzos en desarrollar la **habilidad lectora. Esto quiere decir que además de leer y comprender textos breves, se realizarán preguntas acerca de lo leído y se extraerán palabras para formar parte del Vocabulario necesario para esta actividad.**

Todo esto además tiene como objetivo apoyar transversalmente a la asignatura de Lenguaje de manera de aportar en forma más significativa al proceso de aprendizaje que se desarrolla durante este período tan particular.

Paso 1- Revisar Vocabulario.

Paso 2- Leer con mucha atención. Primero lee la historia completa (texto escrito) y después por párrafos. Finalmente después de una breve pausa para descansar, lee el texto completo nuevamente. (verás cómo vas a ir comprendiendo)

Paso 3- Intenta responder las preguntas (Recuerda que además se trabajarán en las sesiones Zoom).

Halloween

Halloween (also referred to as All Hollows' Eve) is a holiday that's celebrated in America on 31 October of each year, regardless of what day of the week this date falls on. Although it is rooted in religion, Halloween today is enjoyed mainly because of its decorations, costumes, candy, treats, and general excitement, and furthermore, it is enjoyed by most everyone.

Before Halloween, many individuals carve a design into an orange-colored **pumpkin**, or a solid, durable vegetable. Once a personally satisfying design is carved, a lit candle is typically put inside a pumpkin, thereby making it a **Jack-O-Lantern**. At night, this design lights up against the darkness.

Besides carving pumpkins, some celebrate Halloween by putting decorations up. **Supernatural** (referring in this case to non-natural creatures that're typically based in fiction) figures, including **vampires, ghosts, werewolves, zombies, and more**, generally account for most of these decorations. **Bugs, spiders, cobwebs, gravestones, and** anything else that can be considered **creepy** (or unusual and possibly scary) can also be found on Halloween, in decoration form.

Only some adults celebrate Halloween, and they generally do so by attending parties. Inversely, the vast majority of children dress in costume (Halloween costumes can be based upon anything, from the mentioned supernatural creatures to the stars of today's films) and walk from door to door in search of candy—a practice known as **trick or treat**—on Halloween. After knocking on a door (houses that participate in Halloween usually leave a light on), one says, "Trick or Treat" and a piece (or pieces!) of candy is given to him or her.
